## Pond Maintenance Packages Available!!!

Small ponds, large ponds, a little help, a lot of help ... whatever your pond maintenance needs may be, we have the package for you. All packages include a variety of products and services as illustrated below. Let us do the dirty work for you while you relax and enjoy your pond!

### Bronze Package

Perfect for the pond owner who would like a little help keeping their pond clear and beautiful. With one visit per month, the Bronze Package will ensure that your pond is getting the attention it deserves.

Greenfrog Ponds will be there to identify any current problems and diagnose any future issues that may come up in your aquatic paradise.

### Silver Package

Perfect for people who love their pond and would like to see it looking it's best, without having to work on it 24/7. Designed for the pond owner who needs a little maintenance boost, the Silver Package consists of two visits per month from Greenfrog Ponds. Best of all, this package also includes your Spring Clean-out.

### Gold Package

For the busy pond owner. We're also including your Spring Clean-out, Leaf net installation/removal and Fall Shutdown. So push those pond worries aside during the evening drive time and get ready to come home to a beautifully maintained pond, with a little help.

**NEW! POND PARTY PACKAGE!**

## Do you do a lot of entertaining in your backyard???

Is your pond one of the main reasons your friends and coworkers invite themselves over for a night of dinner and drinks on the patio? Then have we got a deal for you! Greenfrog Ponds is pleased to introduce the Pond Party Package. We'll give your pond a face lift for your next party, allowing you to focus on the rest of your party details!

We'll come to visit your home approximately one month before the party to assess what needs to be done, and come back to get it ready for it's close up! Here are the basic maintenance tasks for the big party:

- Mulch and weed directly around the pond
- Add annuals for color where needed

- Clear up water
- Remove all debris
- Add rocks & gravel where needed
- Trim plants
- Check and or replace lights
- Tweak waterfalls
- Disguise BioFalls filter and or skimmer

All we ask for is to be notified one month in advance so we can have the crew and materials available to make your pond look its best. So plan that party and keep in mind that:

**Greenfrog Ponds is here to make your watery wonderland gorgeous just in time for that big event!**

## Fun Frog Fact

Under the water a frog's eyes are protected by an extra eyelid called a nictating membrane!

## Spring Cleaning Time

We are now scheduling spring cleanouts. Call or e-mail us to set up yours today!

## Calendar of Events
